Focus and North East Lincolnshire Clinical Commissioning Group (CCG) are improving the way Deprivation of Liberty Safeguards (DoLS) are administered in North East Lincolnshire.

As part of our DoLS strategic action plan, we have been developing elements of SystemOne to support the administrative process. This will mean a DoLS application will be part of a patient's integrated health and social care record.

From 1st April 2016 you will be able to make telephone applications and get instant advice. During the working week (Monday – Friday 11am - 3pm) applications can be made to the team by phone on 01472 232244 (option 3) and a completed DoLS Form 1 will then be emailed back to you for your client's case record.

Option 3 - 11am to 3pm Mon-Fri

Out of hours (nights, weekends and public holidays) you can email your forms in to the team at focus.mcadols@nhs.net and you will be contacted on the next available working day by the team to ensure that the correct information is used.
